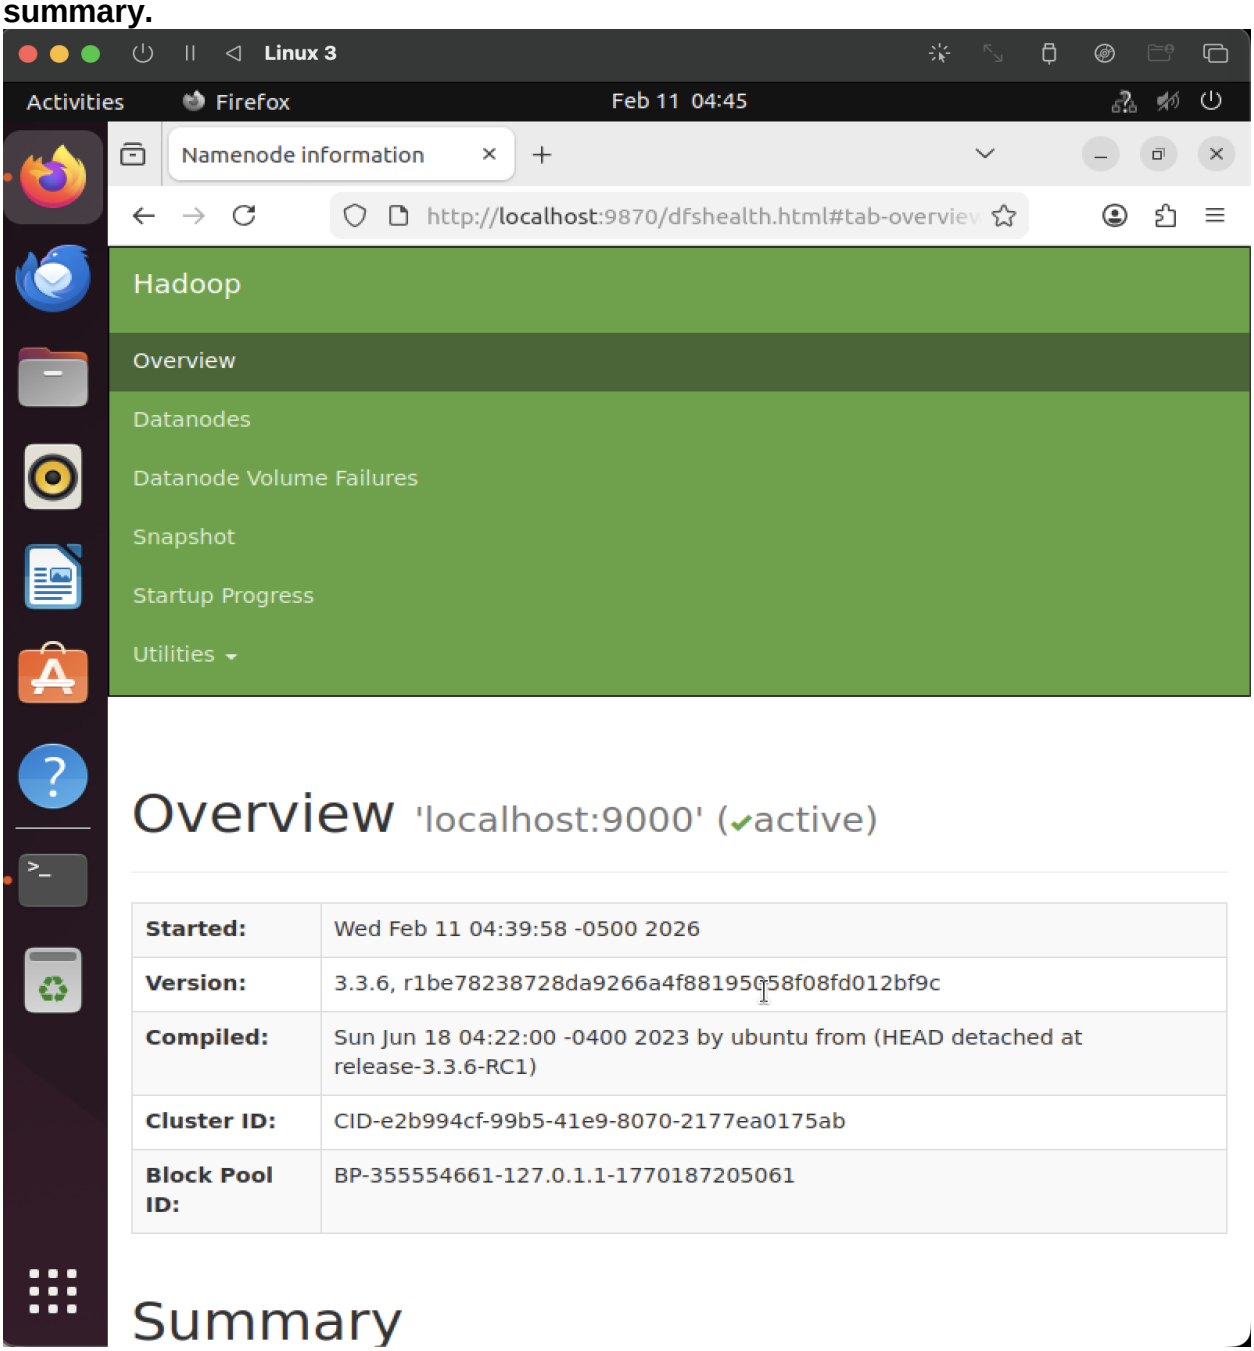
CS-4074

Name: Sara Imran **Student ID: S22107878**

Screenshots for Lab2

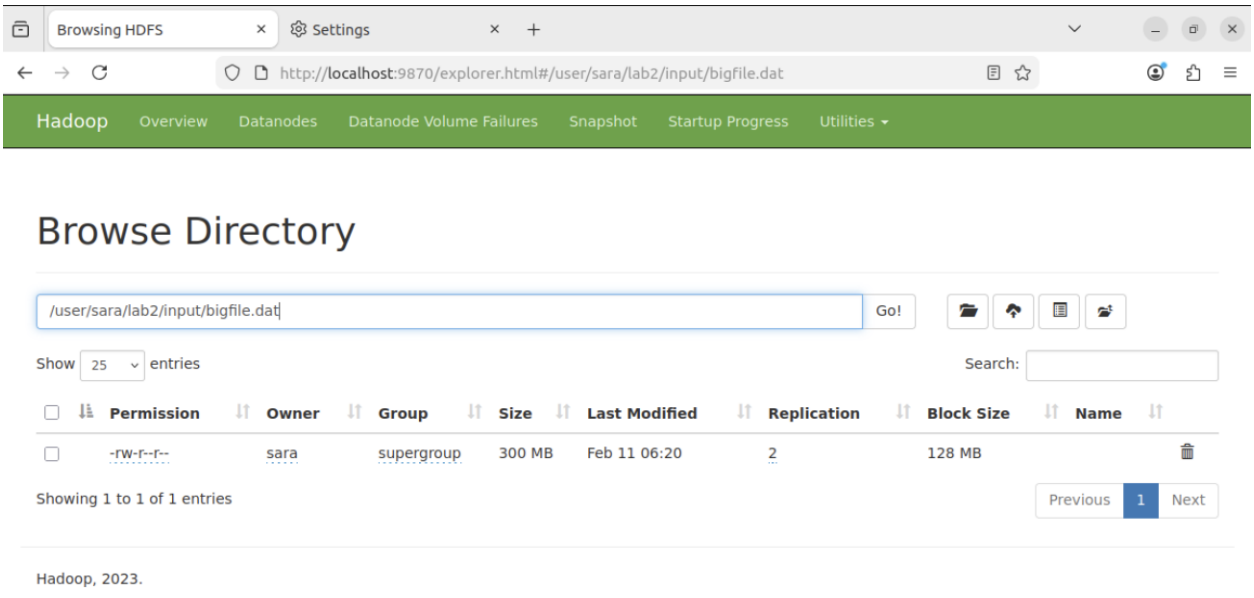
Task 1.2

Take a screenshot of the HDFS Web UI overview page showing the cluster summary.



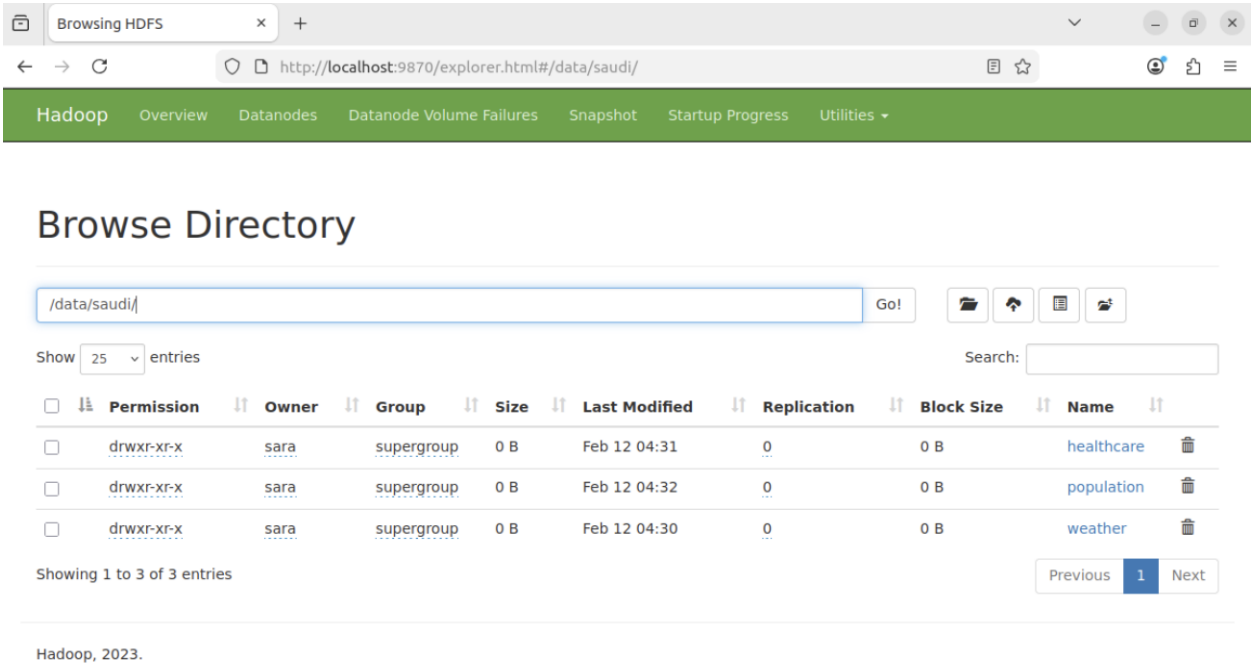
Task 3.2

c. Open the Web UI (http://localhost:9870) →Utilities →Browse the file system. Take a screenshot showing the file and its replication.



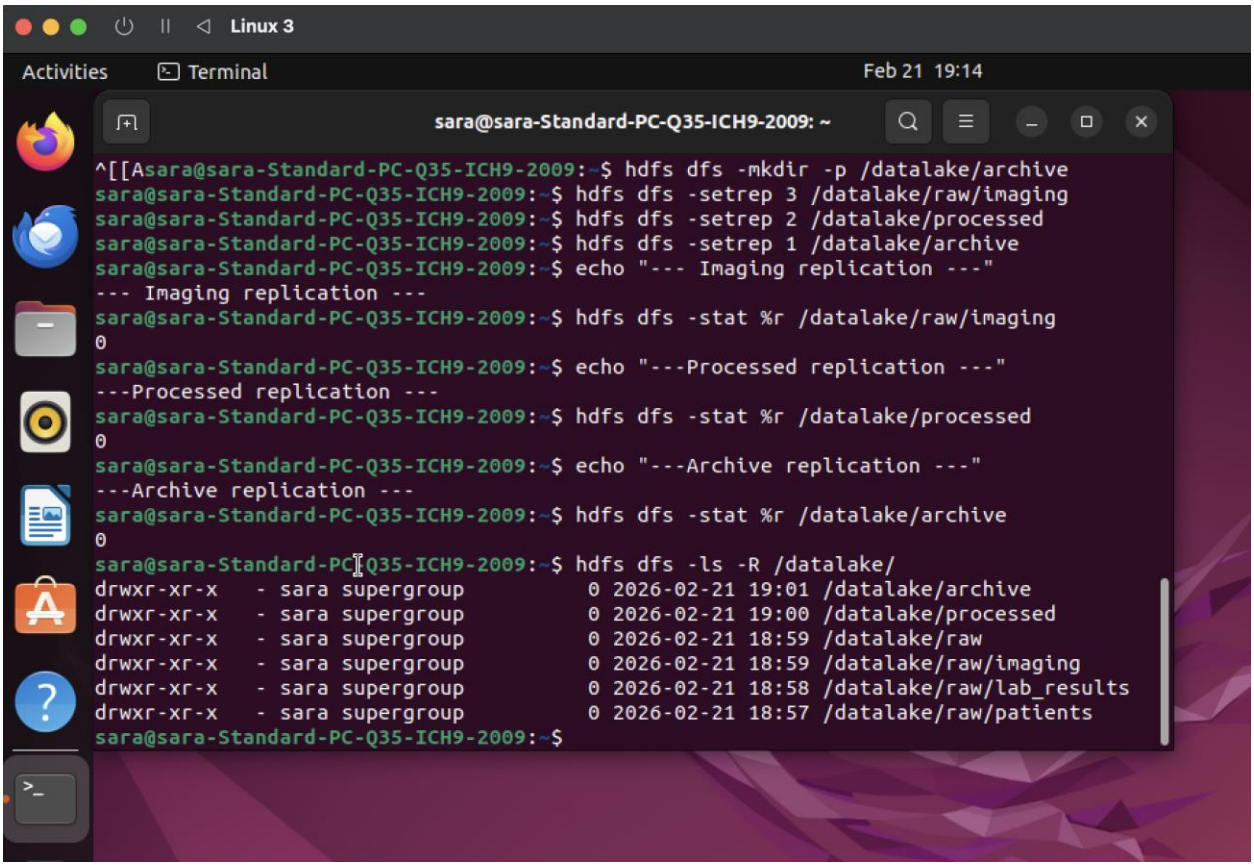
Task 5.2

Take a screenshot of the HDFS Web UI showing the /data/saudi/ directory tree.



Task 6.4

a. **Take a screenshot of hdfs dfs -ls -R /datalake/ output.**



b. **Upload a sample file to each of: /datalake/raw/patients/, /datalake/raw/imaging/, and /datalake/archive/. Verify their replication factors differ using -stat %r.**

Activities Terminal Feb 21 19:30
